TERMS AND CONDITIONS

1. It is agreed that the Hand Baked Arcade will deliver and install the hire equipment as well as check that it is all in working condition on that same date. ("the Installation")
2. The Installation can run on a trial basis for the first month. If at any point within this first month The Venue decides to cancel the contract full payment for that month will be retained by the Hand Baked Arcade.
3. If a trial period is not required the equipment will be hired on a 3 month rolling contract. Monthly payments via a standing order will be required at the start of each new month. The first month will be paid in full before any equipment is installed.
4. Games can be swapped on a monthly basis so that your customers are offered a continuously changing volume of games. The cost of posting said items will be covered by The Venue. New games will only be shipped once old items have been received by the Hand Baked Arcade.
5. Consoles can also be exchanged but will be subject to a delivery/collection charge depending on The Venue location.
6. If any items are lost or stolen once installed in The Venue then all said items will be invoiced to The Venue and will need to be paid for within 5 working days.
7. All items supplied by the Hand Baked Arcade are to remain at the address of The Venue for the duration of the contract. Strictly no sub-hiring of any equipment is allowed.
8. If items cease to work due to general wear and tear and not due to a malicious act then an engineer will visit the venue at the Hand Baked Arcade's earliest convenience. If said items can be repaired on site then this will commence otherwise items will be removed from the premises for further work and returned as soon as possible free of charge.
9. Hand Baked Arcade retains the right to cancel the contract at any time due to misuse of the equipment or break of contract by The Venue. If this were to occur all equipment would be removed ASAP and the remainder of the months hire payment retained by Hand Baked Arcade.
10. All consoles are housed in purpose built flight cases. These cases have windows in the top and are backlit so that the console can be seen and played but still protected. The consoles and cases are designed in a way to ensure a long life when in a bar, venue or night club environment. The cases are to remain locked when in use and only a responsible employee of The Venue is to have access to the key.
11. Hand Baked Arcade will be responsible for training at least one employee of The Venue to be competent in changing the games and general use of the equipment hired.
